## Team Coaches/Managers

When you report the score for your game on GotSoccer, you must indicate that there was a send-off in the game to ensure that it will be processed in a timely manner.

Please check the [suspensions](#) page within 48 hours to make sure send-off posted. If it is not listed, contact your League President or send-off coordinator to confirm suspension is in progress.

It is helpful for the Home Team to provide the Center Referee a stamped, addressed envelope to the [appropriate authorities](#) for send-off reports (contacts will differ, depending on region).
