- C. Winners of the U12, U13, U14, U15, U16, U17, U18 and U19 division competitions will be eligible to represent California Youth Soccer Association in the annual US Youth Soccer Region IV Cup Competition.

II. JURISDICTION

- A. The entire Cal North State Cup competition shall be under the jurisdiction of the Cal North Cup Committee as authorized by the Cal North Board of Directors. The Cal North Board of Directors reserves the right to any final decision with regard to any and all games played in these competitions.

III. ELIGIBILITY REQUIREMENTS

- A. Cal North State Cup competitions are open to any Under-12 through Under-19 Cal North registered team so long as such team meets Cal North State Cup entrance and eligibility requirements, is in good standing at the time of entry, and remains in good standing throughout the competition.
- B. Any team that participates in an Under-11 or younger playing league may not enter the Cal North State Cup.
- C. A team or player that participates in Cal North State Cup may play in only one (1) Cal North Cup competition within the same current seasonal year until such time as the team has completed the cup competition in which the team first participated (i.e. a team or player may not play simultaneously in Cal North State Cup and Cal North Presidents Cup, Cal North Association Cup or Cal North Founders' Cup). In no instance can a team play in U12-U13 Cal North State Cup and then play in U14-U19 Cal North State Cup.
- D. Any player on a frozen cup roster is considered to have participated in cup play.
- E. Players must be properly registered with a Cal North affiliated league and their credentials approved by the District Commissioner/Registrar for the current seasonal year, in accordance with Cal North and US Youth Soccer Rules. All roster changes will be transacted in compliance with player eligibility rules and roster add, transfer and release requirements.
 - 1. At the time a team's roster is frozen for Cal North State Cup, the team may not have more than five rostered players who were previously rostered during the current seasonal year with a league other than the league of which the team is a member. The rostering of such players with such league shall be made in compliance with the registration rules of Cal North.
 - 2. U12 and U13 teams may have up to 18 registered players on their roster. U14 - U18 teams may have up to 22 registered players on the roster (only 18 rostered players are allowed to be game active for each match and the 18 players listed on the game card can change from match to match. Players who are on the roster but not active for the match can sit on the bench but cannot be in uniform)

- a. U12 teams that advance to US Youth Soccer Region IV Championships (Far West Regionals) may increase the size of their roster up to a maximum of 22 players following the conclusion of the U12 **Cal North State Cup**.
- F.** All rostering of individuals on **Cal North State Cup** teams, including transfers, adds and releases will be processed in accordance with **Cal North** and US Youth Soccer registration requirements.
1. A “club pass” is a player pass issued by a **Cal North** affiliated member league to a registered player of that league. The pass shall be issued in compliance with the rules and requirements of **Cal North**.
 2. At the time a team’s roster is frozen for **Cal North State Cup**, the team may not have more than five rostered players who were previously rostered during the current seasonal year with a league other than the league of which the team is a member. The rostering of such players with such league shall be made in compliance with the registration rules of **Cal North**.
- G.** On the Tuesday prior to the scheduled start of cup play for the team’s age group and gender the team’s cup rosters will freeze in regard to any player movement on or off the roster. In order to be included on the frozen cup roster all roster changes involving players must be processed by the District Registrar not later than midnight on the Monday prior to cup. Transactions involving player movement on or off the team roster (adds, transfers and/or releases) must be submitted to the District Registrar no later than the Friday prior to the roster freeze deadline. Beginning on the roster freeze deadline, roster changes involving players will not be permitted throughout the duration of the state-level cup competition. Only players rostered in accordance with **Cal North** and US Youth Soccer Cup and registration rules will be eligible to participate in Cal North Presidents Cup Competitions

- I.** **Cal North** Teams advancing to the US Youth Soccer Region IV Championships and/or the US Youth Soccer National Championships will be eligible to make additional limited roster changes following the conclusion of **Cal North State Cup** and again following the conclusion of US Youth Soccer Region IV Championships provided the changes are in compliance with the US Youth Soccer National Championship Series rules. All roster changes will be in compliance with **Cal North** player eligibility rules and roster add, transfer and release requirements and must be submitted to the **Cal North** State Registrar not later than 14 days prior to the start of competition for which the roster is being frozen
1. With the exception of U19 teams, teams participating in State Cup, Region IV Championships and/or National Championship must demonstrate a continuity of rosters between the league and every level of the NCS competition by maintaining a minimum of 9 players from the league roster common to the roster of the team at every level of the competitions. For U19 teams because there is no requirement for league play for National Championship Series, the continuity of roster must be demonstrated from the frozen State Cup roster to the roster for Region IV and National Championships. The 9 core players can be a different 9 players at the Regional and National levels.
 2. So long as a team is in compliance with the requirement for continuity of 9 players between the levels of cup as noted previously, the team may transfer or add players to the team roster if and only if the player being added or transferred to the roster was registered in the team’s league prior to the team’s roster being frozen for state cup play.
 3. US Youth Soccer National Championship Series Rule 221 Section 2 states “A club may issue a club pass to any youth player who is a registered youth player of the club before the team to which the youth player is to be rostered for the State Association level of the National Championships competitions submits it National Championships roster for its first competition at the State Association level.” In **Cal North** leagues, not clubs, are the organizations that affiliate with the State Association and therefore in this rule use of the word “league” is appropriate in place of “club”.
 4. For complete information regarding rosters and player eligibility for the National Championships Series please refer to Part I, Section 1, item (5), Section 2, items (1) through (3); Part II, Rule 221 and Rule 224 of the **Policy on US Youth Soccer National Championships**

If the team is accepted for play in **Cal North State Cup** it shall be the responsibility of the team's District Commissioner to make sure that the team meets the requirements of this paragraph BEFORE the end of the seasonal playing year of that specific year's **Cal North State Cup** Competition. The District Commissioner shall notify the **Cal North State Cup** Chairman in writing when a team that has received a temporary exemption from this rule has met the requirements as called for in this paragraph. Participation in **Cal North** Cal Soccer League (CCSL) Spring Session will qualify as a team's playing league requirement if the team registers and fulfills all other **Cal North State Cup** eligibility and application requirements. Any team that participates in **Cal North State Cup** and fails to fulfill their commitment to play in the qualifying Playing League shall be subject to severe penalties as indicated in section XXIV of these rules. **Under no circumstances, and notwithstanding the foregoing, with the exception of U19 teams, will any team be eligible to participate in Cal North State Cup unless it participated as a Cal North team in a regular Cal North league or the US Youth Soccer Far West Regional League. A team cannot establish eligibility by participating in league or other play only for the purpose of creating or establishing eligibility to participate in Cal North State Cup.**
- E. Any team that enters **Cal North State Cup** Competition agrees to play WHEREVER it is assigned to play within the **Cal North** geographical boundaries without complaint to **Cal North**.
- F. **Cal North** considers each team that enters **Cal North State Cup** to be in receipt of the **Cal North State Cup** rules as well as the **Cal North** Constitution, Bylaws, General Procedures, Specific Rules and PIMs through the publication and posting of the annual issue of **Cal North** Team Manual and/or as a requirement of the completion of the online **Cal North State Cup** application process. Claims of not having read same before submitting a team entry are not admissible. Each team representative's signature or electronic acknowledgement on the **Cal North State Cup** Entry Form is confirmation that the team has complied with the above requirements.

V. RESERVE POOL REQUIREMENTS

- A. Any team that enters **Cal North State Cup** after the November 1, 2013 deadline for U12-U13 teams, the January 6, 2014 deadline for U14-U18 teams or the April 1, 2014 deadline for U19 teams and meets all other entrance requirements will be placed into the Reserve Pool and is not guaranteed the opportunity to play.

- D. Any team that applies to **Cal North State Cup** as a Reserve Pool team will be assessed an additional fee of \$100.00 above the regular **Cal North State Cup** entry fee.
- E. Teams' Reserve Pool entry fees of \$725.00 must be paid by credit card, certified check, money order, or bank cashier's check.
- F. Prior to the State Cup draw the **Cal North Cup** Committee or designees may, by means of a blind draw or by invitation of teams from Cal North Cups already completed, select additional teams from the Reserve Pool for teams in a particular age group in order to make that division divisible by four (4)
- G. The **Cal North Cup** Committee or designees cannot draw any additional teams from the Reserve Pool other than to attain a division of play that is divisible by four (4) for the **Cal North State Cup** in the specific age/gender above the number of teams that have entered **Cal North State Cup** at the time of the **Cal North State Cup** entry deadline. The selection will be made through a blind draw from the teams that have entered **Cal North State Cup** Reserve Pool in the specific age group/gender at the time of the State Cup Reserve Pool deadline.
- H. The deadline to adjust and add teams to create brackets divisible by four (4) for the **Cal North State Cup** draw shall be at 5:00 PM on the Monday preceding the draw for each age/gender division of play.
- I. The **Cal North Cup** Committee or designees may draw from the Reserve Pool if a team drops from **Cal North State Cup** play in the team's proper age/gender division.
- J. After the **Cal North State Cup** draw has taken place, whenever a team is needed to fill a vacancy that occurs in a bracket, a team in the Reserve Pool in the proper age/gender group shall be blind drawn from the Reserve Pool.

Credentials must be properly approved beginning with the first preliminary round game.
- B. An original **Cal North** Team roster (goldenrod) must be authorized by the team's District Registrar prior to the team participating in any round/game of **Cal North State Cup** Competition Play.
- C. Properly approved team, player, and registered team official credentials that meet **Cal North State Cup** requirements will be required at each and every game in order to participate in **Cal North State Cup** Competition.
- D. Any improper player's or registered team official's member pass shall be retained by **the Cal North State Cup** staff which will result in the individual being ineligible to participate until proper credentials are cleared with either their District Commissioner or District Registrar and presented to the Cal North Cup Credentials Committee for clearance.

- E. A US Youth Soccer member pass with original wet ink signature of the player's parent or guardian in the completed Consent for Medical Treatment section must be presented for each player. Players who are 18 years or older at the time of competition MUST sign their own forms.
- F. Any exception to the requirement for presenting properly approved credentials for a team, player and/or registered team official prior to the start of a game can only be approved after a review of the facts by the Third Vice Chairman and the on-site cup staff, as well as confirmation by the team's District Registrar and/or **Cal North** Registration Committee Chair that the team, player(s) and/or registered team official(s) are properly registered and approved for participation in **Cal North** competition. A Cal North Cup Credentials Exception Agreement form must be completed and signed by a registered team official prior to the exception being granted and prior to the game(s) in question. In the absence of the Third Vice Chairman the Chairman of the Board or the 1st Vice Chairman may be consulted.
- G. The credential(s) for which an exception is allowed must be presented to on-site cup staff before the conclusion of the weekend on which the game in which the exception was granted takes place.
- H. If it is later deemed that the team, player(s) or registered team official(s) for which an exception was granted is not properly approved and credentialed or is not eligible to participate in **Cal North** competition, the individual(s) will be subject to any and all **Cal North** disciplinary policies, including but not limited to **Cal North State Cup** forfeiture and fine policies.
- I. An ineligible player, participating in a **Cal North State Cup** Competition shall cause his/her team to forfeit any game that the player has participated in and may result in further disciplinary action, against the team's coach, registered team official, or player by the **Cal North** Board of Directors.

VII. TEAM FORMATION

- A. Any team entering **Cal North State Cup** may not release a player or players in order to qualify for a lower age group division.
- B. A team is required to play in **Cal North State Cup** at the oldest age group at which it was ever rostered during the seasonal year.
- C. Player releases are allowed only in certain circumstances as specified in **Cal North** and US Youth Soccer registration rules.
- D. The team must demonstrate continuity of rosters between league play and **Cal North State Cup** competition by maintaining a minimum of nine (9) players common to the rosters of both competitions. (Under 19 teams are exempt from this requirement as they are not subject to the league play requirement.)

VIII. SEEDING

- A. There will be seeding of eight (8) teams in the Under 12 through Under 19 age divisions. In order to have eight (8) teams seeded, the age group must have the minimum number of teams necessary to create no fewer than 8 brackets; otherwise only four will be seeded.
- B. The eight (8) teams that will be seeded for the current season's **Cal North State Cup** Tournament in the above referenced age divisions will be last season's **Cal North State Cup** Winner, Runner Up, and the six remaining quarter-finalists that have moved up one age group division for the current season's **Cal North State Cup** Competition. In the event that a team played up an age group in the previous season's **Cal North State Cup** Competition and they are a seeded team based on the team being a finalist in the previous season's **Cal North State Cup** Competition they will take precedent in the seeding of teams in their age/gender division over any team that is moving up an age group from the previous season's **Cal North State Cup** Competition. The previous season's **Cal North State Cup** Champion will be seeded #1, the previous season's **Cal North State Cup** Runner Up will be seeded #2, the determining factor as to the order of the remaining quarter-finalist teams shall be determined by the results of the semi-final or quarter-final games in which the teams participated in during the previous season's **Cal North State Cup** Competition. The #3 and #4 seeds will be the non-advancing semi-finalist teams and will be seeded third and fourth based on the following tie breakers: 1) Goal differential, goals scored versus goals allowed, (if one team lost 0-4 (-4 goal differential) and the other team lost 1-3 (-2 goal differential), the team with the 1-3 loss would be the #3 seed). 2) Least goals allowed. 3) Most goals scored. 4) Coin toss. Tie breaking procedures will begin with (1) and continue in numerical sequence to (4). When one of the tiebreakers shows a differential between the teams, the

prevailing team shall become the #3 seed immediately without continuing to any other tiebreakers. Seeds # 5, # 6, #7, and #8 will be the non-advancing quarter-finalist teams and will be seeded in order based on the tie breaking system used for determining the third and fourth seeds.

- C. For purposes of seeding, if a game between the previous season's quarter finalists remained tied at the end of the regulation and overtime periods, resulting in kicks from the mark to determine the winner, the score as it stood at the conclusion of the overtime periods will be used in the determination of seeding (for example, if one team lost 1-2 and the other team tied 2-2, the team with the 2-2 tie would receive the higher seed.)
- D. In the event that a team does not meet the eligibility requirements to be a seeded team even though the team was a finalist from the preceding season's **Cal North State Cup** Competition, or the team is not entered in the current **Cal North State Cup** Competition, all teams seeded below that team will be moved up in the seeding and no new teams will be seeded to fill the vacant seeding position created by the move up of the other teams.
- E. In order to qualify for a seeded position in **Cal North State Cup** Play, a team must essentially be the same team that played in **Cal North State Cup** the previous season. The criteria for determining if a team is to be considered a returning team is as follows:
 - 1. At least fifty percent (50%) of the team's players return from the previous year's **Cal North State Cup** Team Roster.
 - 2. The team is rostered and the players are registered with the same league and district, as they were the previous season.
 - 3. The team is in good standing with their league and district.
 - 4. Any team that does not meet these criteria shall go into the blind-draw pool with all the other teams in its respective age division; and, that age division shall have less than four (4) seeded teams.
 - 5. The **Cal North State Cup** Chairman shall send a response form to the **Cal North State** Registrar with the names of all teams that were finalists, semifinalists or quarterfinalists in the previous year's **Cal North State Cup** competition. The State Registrar will then be asked to verify whether these teams meet the criteria listed in 1-3 above.

IX. BRACKETING

- A. All properly received **Cal North State Cup** entries will be entered into preliminary rounds by a modified blind-draw
- B. Teams will be bracketed for the preliminary rounds by means of a blind draw conducted by the **Cal North Cup** Committee or designees
- C. The **Cal North Cup** Committee reserves the right to restructure/eliminate brackets due to teams dropping to try to ensure as many brackets as possible have 4 teams in them.
- D. The winners of each bracket will advance to single elimination round competition. The **Cal North Cup** Committee reserves the right when necessary to bring two (2) teams forward to the next round from certain predetermined brackets in the preliminary round of play to ensure that all age divisions will have complete quarter-final play in the competition.
- E. The bracket winners and runners-up will be determined by the scoring point system outlined in Section XVI of the **Cal North State Cup** Competition Directives, Rules & Regulations.
- F. The **Cal North Cup** Committee reserves the right to combine brackets with less than three (3) teams in the brackets after the draw has taken place. (This would take place after a team has dropped from the competition and there are not any teams available in the Reserve Pool to take the place of the team/teams that have withdrawn from competition in the specific bracket or brackets.) The combining of these brackets must take place no later than 6:00 PM on the Tuesday prior to the first weekend of play in the particular age/gender division that is being adjusted.

- G. If the draw has taken place and due to an administrative error a team must be added to a **Cal North State Cup** age/gender group, that team will be placed into the competition as follows: All brackets of three (3) in the specific age/gender group will be put into a hat, one of the brackets will be drawn from the hat and the team will be inserted as the fourth (4th) team in that bracket.
- H. If in the opinion of the **Cal North Cup** Committee Chairman and his/her Committee an uncorrectable error is made in the draw of a division of teams and it is discovered after the draw had taken place, the **Cal North Cup** Committee Chairman and **Cal North Cup** Committee shall determine the best and most expeditious manner in which to redraw the particular division/divisions if they determine that a partial or complete redraw is necessary. The implementation of this shall be done as quickly as possible with the approval of the **Cal North** 3rd Vice Chairman.
- I. If, due to the withdrawal of teams, half or more of the preliminary brackets contain three or fewer teams, the **Cal North Cup** Committee may schedule a redraw of that age group. In addition, the **Cal North Cup** Committee may redraw any age group if withdrawals reduce the total number of teams in that age group competition to a level, which would eliminate the need for an extra round of competition.
- J. **Cal North** reserves the right to cancel an age/group gender division that does not have a minimum of eight qualified applicants at the time of the application deadline. If the determination is made to cancel any age/group gender division the team will be offered a refund in full or the opportunity to migrate to any other **Cal North** cup age/group gender division for which they are qualified. When migrating to a different **Cal North** cup any applicable refund or additional application fees will be applied.

X. SCHEDULING

- A. Requests for scheduling accommodations or adjustments on behalf of any specific team will not be taken into consideration when creating schedules.
- B. A complete schedule of games, playing dates, and opponents will be published and distributed to all teams as soon as possible after the draw takes place prior to the preliminary round games beginning.
- C. **THERE WILL BE NO RESCHEDULING OF GAMES TO ACCOMMODATE OUT-OF-STATE TOURNAMENTS, LEAGUE GAMES, SOCIAL EVENTS, SCHOOL AND/OR COLLEGE ENTRANCE TESTS.**
- D. It is the responsibility of each team to be aware of all potential conflicts which may affect its ability and the ability of its players to participate in **Cal North State Cup** competition on any and all dates for which play is scheduled for its age group (both primary dates for play and alternate dates for play).
- E. A game upon which a protest/appeal is upheld will be replayed as called for by the **Cal North** Protest and Appeals Committee. It shall be the responsibility of the **Cal North State Cup** Chairman to reschedule the game and set a time and place for the game that will allow all **Cal North State Cup** Competition play to continue with the least amount of delay.
- F. The team listed first on the **Cal North**-issued schedule of games shall be the HOME TEAM in all cases and will provide a game ball.
- G. Scheduling changes may be considered for single elimination round games up to and including the semifinals when the following stipulations are met:
 1. The opposing teams must be registered in the same affiliated league
 2. Both teams must agree to the game being reassigned to a "home" field
 3. The teams must have the agreement of the affiliated league, the Cal North Cup Committee Representative from the team's District, and the Cal North Cup Committee Chairman
 4. The league must agree to host the game and to provide at no cost to **Cal North**:
 - a. A regulation field in accordance with Cal North Cup rules
 - b. Referees as stipulated by Cal North Cup rules
 - c. Field Marshals

5. The Cal North Cup Committee Representative from the team's District must ensure that there is a qualified site coordinator to administer the credentials check in and Cal North Cup operations including but not limited to score reporting, filing any applicable cup-related reports/paperwork, consult with the Cal North Cup Committee Chair and/or Cup Director regarding any send offs and suspensions
6. The teams and their league must agree in writing that there will be no protests filed based on the assignment of the field or referees.
7. The request for rescheduling a game to a home field must be submitted in writing to the Cal North Cup Committee Chairman and Cal North Programs Coordinator within 24 hours of qualifying for the single elimination game in question.
8. The Cal North Cup Committee Chairman, Cup Director and Third Vice Chair will confer to consider all relevant information and circumstances regarding the request. After a determination has been made, the Cal North Cup Committee Chairman will notify both teams, their league, the Cal North Cup Committee Representative from the team's District and the Cal North Programs Coordinator within 24 hours of receiving the request.
9. If the request is approved the Cal North Programs Coordinator will make the changes in the schedule and notify the SYRA of the schedule change so that the referee assignments can be cancelled.

XII. UNIFORMS

- A.** The appearance of players is a vital extension of the game. A player's team uniform confirms the identity of the club or organization that the player represents. It should be worn with pride.
- B.** A team should have light and dark jersey options available whenever possible. When not possible, the team shall use pinnies if necessary to achieve a jersey color distinctive from that of their opponent.
- C.** With the exception of the Goalkeeper's jersey, each player on a team's game day roster must have a separate and distinct identifying number on their jersey. If necessary, and **ONLY** with the permission of the referee, a jersey number that was assigned to one player on the game day roster may be assigned

to another player on the game day roster. The reassignment of the jersey number must be noted by the referee on the **Cal North** Referee's Game Report (game card).

Any player who wears a base-layer under garment must wear a base-layer garment that matches those worn by the other members of his/her team.
- I. All **Cal North State Cup** referees will be instructed to enforce this uniform rule in all games.
- J. Home teams will change jerseys in the event of a conflict in jersey color. When changing jerseys, teams must adhere to the rule regarding the base-layer undergarments.
- K. The referee will have final determination as to whether or not a team must change their jersey or base layer under-garment due to conflicting colors.
