

CAL NORTH ODP

September 19, 2026

Good evening Everyone,

Thank You for participating in the 2025-2026 Cal North State ODP Try-outs. We would like to acknowledge your dedication, hard work and fine playing abilities and encourage each of you to continue working towards your goal of being the finest soccer player that you can be. We had many high level, elite players competing for a limited number of spots in the Cal North State ODP pools this year and the selection decisions were very difficult for all our state coaches.

Please review the list below, those names listed for each gender/age group are the players that have been selected to participate for the 2025-2026 ODP Season. All players named to the pools will be receiving additional information detailing the entire season next week. Please keep in mind that all players who participated in the State ODP tryouts could be called up to participate with a group for international travel.

We would like to wish you all, the best of luck on your respective competitive teams and let you know how much we appreciate your interest in the Olympic Development Program. Players who were **not selected** can request "Player Feedback" by completing this form: [25/26 Player Feedback Request \(Tryouts\)](#). This form will only be available until October 13th. Parents of the players who have been selected to the pools, do not complete this form as they can meet with the staff at any time, this form is for players **not selected** to the pools. Staff members will have 10 working days to reply to your inquiry. We ask that you complete the entire form to expect a timely reply.

Once again thank you for your participation and support of the Olympic Development Program.

Joyce Bordley, Coaching Education & ODP Managing Director

CAL NORTH ODP

2025-2026 State ODP Pools

Pool	Last Name	First Name
09B	Allen	Quinn
09B	Bainotti	Alec
